We have renewed our website

Description

Shimizu North America LLC Mexico Branch is pleased to announce the launch of our new website.

In this site renewal, we have updated the contents and added useful links for your better understanding of our company. We hope you find the information useful to understand our services and our companyâ??s legacies. The global network link will also be available in the website which will take you to whichever region you may need our service around the world.

We Shimizu North America will continue to improve our value and service and contribute to the global sustainable future.

Sincerely,

Shimizu North America LLC Mexico Branch
